All such arrangements therefore are made entirely at the prospective buyer's risk.

It is recommended that all requests for telephone and commission bids are received by the auctioneers by the end of day prior to the auction. While every attempt will be made to execute such bids received on the day of the auction, it is not always possible to do so at this late stage.

No lots may be removed without payment of the full purchase price and the purchaser's premium unless any prior arrangements have been made. All lots are at the purchaser's risk after his highest bid has been accepted by the Auctioneers. All lots must be removed at the purchaser's risk and expense by 5pm on the Monday following the sale, in default of which the goods will be removed and stored at a charge of £10 + V.A.T. per week per lot, plus any transport costs. The Auctioneers shall not be liable for any loss or damage of any kind while the lot is in their or their agents' custody. In the event of any breach of these conditions by the purchaser the Auctioneers reserve the right to re-sell any lot without further notice by public or private sale and any loss arising from such sale together with all charges and expenses shall be made good by the defaulter. Purchasers shall be charged interest on any account unpaid for more than 7 days from the date of sale at the rate of 6.5% per month or part month. No lot to be removed during the sale without being previously paid for, this at the discretion of the Auctioneers.
